1. All matters not specifically provided for in these regulations shall automatically be subject to the general tournament rules of the Swiss Football Association. These regulations are based on the specifications for the organisation of football tournaments as laid down by the Swiss FA (2013 edition). The following provisions are applicable:

2. The participants shall be youth footballers born on or after January 1st, 1999.

Players of the team FC Altstätten Selection can generally be born on or after January 1st, 1998.

For the other teams: Three (3) players, born on or after January 1st, 1998, are entitled to play **simultaneously** on the field of play. It's generally allowed to have more players born on or after January 1st, 1998, on the players list but as above mentioned only three (3) players, born on or after January 1st, 1998, are entitled to be on the field play at the same time. Any mistakes/errors in exchanging players will cause a 0-2 forfeit defeat.

The identity will be controlled by examining the player's passport with photograph – released by the respective federation – or with the border document (ID card or national passport).

3. The 8 teams shall be divided into 2 groups of 4 teams for the preliminary round. In each group, each team shall play one match against each of the other teams. In the preliminary round all games will be played in two half times of 20 minutes each. In the final round all games will be played in two half times of 25 minutes each.

4. Each team may enrol a maximum of 18 players by completing the official list and submitting it to the Organising Committee prior to the tournament. FC Altstätten Selection names a maximum of 20 players. Of the 18/20 listed players, eleven may be included in the official starting line-up. A maximum of four substitutions (three outfield players and one goalkeeper) shall be permitted during each match. The players shall wear the same number throughout the entire tournament. A player wearing a wrong or not registered number during the game will also cause a 0-2 forfeit defeat for his team.

5. In the preliminary round, the ranking (positions 1 – 4) in each group shall be determined by the number of points obtained (win = 3, draw = 1, defeat = 0). If two or more teams have an equal number of points, the following criteria shall apply

- a) points gained in the match(es) between the teams equal on points;
- b) goal difference of the match(es) between the teams equal on points;
- c) higher number of goals scored in the match(es) between the teams equal on points;
- d) goal difference in all the group matches
- e) goal scored in all the group matches
- f) kicks from the penalty mark if two teams are equal
